With your preferred fruit color and a 9mm hook:

R1: 6 sc into a MR (6)

R2: inc x 6 (12)

R3: sc, inc x 6 (18)

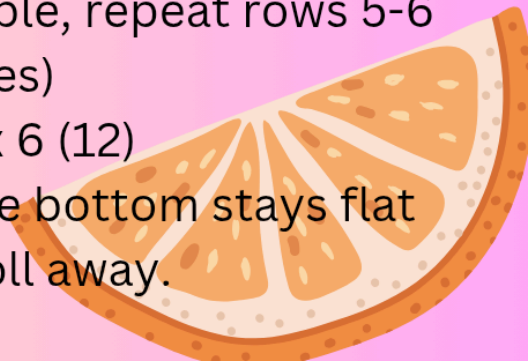

R4: sc around in blo (18)

Stuff firmly, making sure the bottom stays flat
enough to not roll away.

To Finish the Blueberry

R8: inv dec in blo x 6 (6)
FO, close up your Blueberry.

For the wavy part:
Attach yarn to any of the exposed front loops of R8.
In the same st: hdc, sc
[In the next st: slst
In the next st: hdc, sc]* repeat around, end on a slst. FO,
Weave in ends.

🍑 To finish your Peach 🍑

R8: inv dc x 6 (6)

Leaving a long tail to make the booty, FO and close up the peach. Once your peach is closed, insert your needle into the middle of the bottom of your peach (into the center of the MR), pull through the center of the top, and pull tightly, shaping the booty. Insert back into the bottom, Weave in and cut remainder of the yarn.

For the leaf:

In brown blanket yarn (9mm hook)
ch 6.

Sc, hdc, hdc, (sc, slst).

Leave a tail for attaching.

Attach your leaf to the top center of your peach.

You finished your peach!

🍊 For finishing your orange 🍊

For finishing your Tomato/Strawberry:

R8: inv dec x 6 (6)

R1: 6sc in a MR, close but DO NOT JOIN. You will join to the next st in a slst during the first sequence of R2.

R2: [ch 4, 3 sc down the chain, slst in next st] x 6

FO, leaving a tail for sewing. I recommend threading the tail back down through the MR to join. I honestly just tied them to the fruits and hid the tails

You're finished with your tomato!

For the strawberry: Add some white seeds with white acrylic if desired, and you're done with your strawberry!

For finishing your Pineapple

Repeat rows 5-6 2 more times before
continuing to row 7

R8: inv dec x 6 (6)

the next st in a slst during the first sequence of R2.

R2: [ch 4, 3 sc down the chain, slst in next st] x 6

Feel free to make more than 1 leaf and stack them to
make it seem more realistic! Add some crisscrossing
lines in a darker yellow acrylic if desired, and You

Again, I honestly tied it to the lemon and hid the tails, but if you don't like that look, feel free to weave in ends.

You finished your lemon!
