Materials

- **Worsted Weight cotton yarn, Pictured is Peaches and Cream Emerald Ombre.**
- **5mm hook**
- **Scissors**
- **Yarn needle for weaving in ends**
- **Measuring tape**

Abbreviations

- **ch - chain**
- **sc - single crochet**
- **Sk - skip**
- **FO - Fasten off**
- **Slst - slip stitch**

R1: Chain 31 or longer, just make sure you add 1 more for the turning chain. Turning chain doesn't count as a stitch

**R2: [Sc starting in the second chain from the hook, sk 1, ch 1] repeat till end of row, sc in the last st no matter what you end on.
Ch 1, turn.**

R3: sc in the first sc, then in the ch space. Then ch 1, and sc into the next ch space. Repeat until the end of the row, and place a sc in the last st. Ch 1, turn.

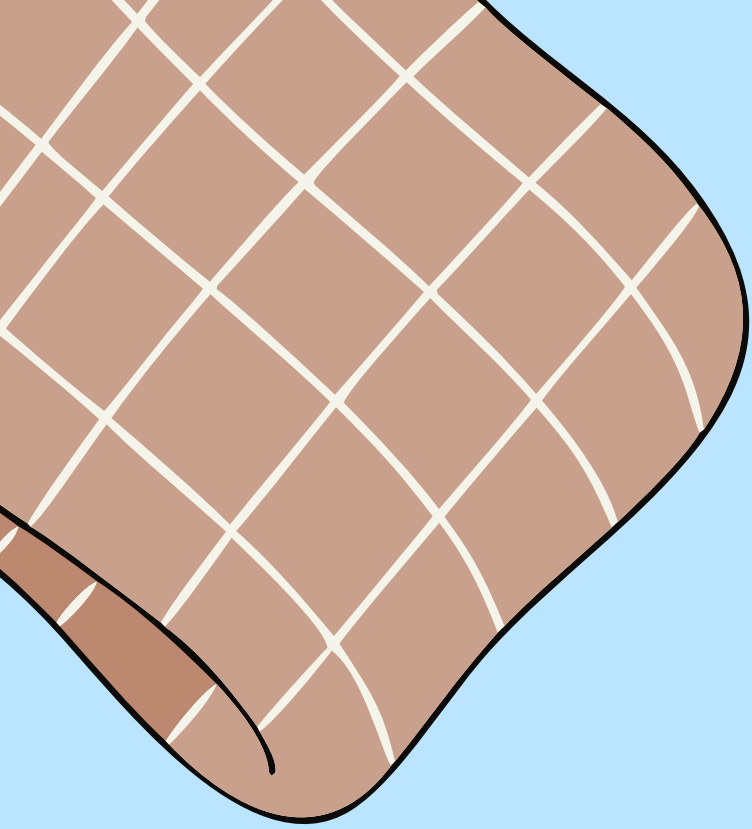

Repeat R3 until the square is as tall as it is wide. (This is where the measuring tape comes in!) I did 28 rows with 30 stitches wide.

At the end of your last row: 3 sc into the last sc, then sc evenly on each side. 3sc in each corner. Once you get back to the beginning of your last row, Fasten off and weave in the ends.

Optional Hanging Strap:

In one of the corners, find your 3 sc.

In the center sc of the 3, attach your yarn and chain 20, then slst back into the same sc. FO, weave in your ends, and you're done!
